Dear Parents,

Please consider serving on the Academic Policy Committee at Twindly Bridge Charter School. This nine member APC Board is responsible for setting goals and making policies that guide the education and direction of our school. This is a great opportunity to be directly involved in the decision making process at TBCS.

There are four Board seats up for election this February. Attached are the questions we ask of all candidates. If you are interested in serving on the Board, simply return your candidate questionnaire to the Twindly Bridge office by 5:00 pm on **Feb. 3rd**.

Elections will be held Feb. 7 – 13. Ballots will be available beginning Feb. 7. Completed ballot must be received at the school office by 4:00 pm Feb. 13, 2012.

Sincerely,
