

Migrant Education Program

Do you travel with your children more than 20 miles from your home to commercial or subsistence fish and stay away from home for a minimum of 7 nights during the year?

Do you leave the Mat Su School District for logging and/or agricultural activities?

If you answered yes to either of the questions above, your children age birth to 22yrs old may qualify for free opportunities offered by the Migrant Education Program.

Opportunities include:

Tutorial Assistance
Migrant Book Program
National School Lunch Program
Family Involvement Activities
Water Safety Education
