

a la carte TBCS Spring Workshops Descriptions:

Animal Face Wall Vase:

Students will create an animal face portrait vase to be hung on the wall. Perfect as a bud vase, a small potted plant or to hold pens and pencils by a desk. \$15 deducted from allotment.

Bergey Boot Camp

April 5-7th. A three day, 2-hour bootcamp with Ms. Bergey. This bootcamp will consist of a targeted upper body day, a targeted lower body day and a targeted cardio/core day. All three days will include cardio strength work, a power yoga session and a smoothie snack break! \$30/3days deducted from allotment.

Coral Reef Coin Bank:

Students will make a coin bank with an aquatic theme. \$10 deducted from allotment.

Cute Bug Soldering Project:

Students will solder a battery-operated light-up bug that they will be able to take home. \$5 deducted from allotment.

Fairy Houses and Toad Castles:

Students will build fairy houses or toad castles for decorative use in the garden or home. We will use pattern forms and handbuilding techniques. \$15 deducted from allotment.

Garden Gnomes:

Students will hand-build personalized garden gnomes. \$10 deducted from allotment.

Hand Print Serving Plate:

Students will use their handprint to create a fun fantastic animal illustration on a hand-built functional serving plate. \$5 deducted from allotment.

Hike the Butte:

- GRADES K-2 MUST HAVE A PARENT ATTEND.
- TWINDLY FIELD TRIP WAIVER MUST BE SIGNED

Hike along on a fun 3-hour adventure with Ms. Bergey! This casual paced hike will take us up the butte trail starting and ending at the reindeer side trail head. (East side) We will adventure on up the Butte and over to the other side all the way to the West trail head, then back up the Butte again! There we will hang out on top, eat your snacks (Bring your own) play games and enjoy the views! We then will meet the parents for pick up back where we started. Please be prepared for any weather!! Bring warm layers, PROPER footwear, WATER, snack and a backpack to carry all your stuff. (depending on the conditions possible ice cleats) Ms. Kami Heisterman will be joining along and of course parents are welcome! \$15 deducted from allotment.

a la carte TBCS Spring Workshops Descriptions, cont.:

Light Up Soldering Project:

Students will have a choice of soldering a battery-operated light-up project that they will be able to take home. When they are done with their project they will have creative build time with Legos. \$5 deducted from allotment.

Net Games:

Spend time learning the fundamentals of net games. We will be using nets and practice techniques while learning to play Badminton, Volleyball and Ping Pong! \$10 deducted from allotment.

Pottery Wheel:

Ever want to try your hand at the potter's wheel? Students will take turns giving the potter's wheel a try. Students will also hand-build a functional tripod mug, which will be dip glazed. \$15 deducted from allotment.

Solder a Radio, Game, or Car:

Students will solder their choice of a radio, game, or car project that they will be able to take home. \$10 deducted from allotment.
