Basic Air Pistol	Tim Kelly	6 - 12	S2	Thu 4:00 PM - 6:00 PM
-------------------------	-----------	--------	----	-----------------------

The focus of the class is broken into three parts. 1) Foremost, is how to safely handle a pistol for loading, unloading, and moving to and from the firing line. 2) Introduction to basic marksmanship. Students will learn the six fundamentals of making a well-aimed shot. 3) Lastly, will be an introduction into the basics of competition; What it is and how to be prepared to compete. **Note:** Every class period will contain a review of safe gun handling practices. Any student who cannot follow these procedures will be removed from the session for the sake of safety. The recommended ages for this class are 10 years of age and up. Students regardless of age must be willing and able to follow instruction. Any student missing more than 2 classes will not complete the course. Each student must bring their own safety glasses. The proper type will be discussed during the first class.

Explore Bow Hunting	Judy Vanderwilt	5 - 12	S2	Fri 1:00 PM - 2:30 PM
----------------------------	-----------------	--------	----	-----------------------

Exploring bowhunting is a hands-on, activity based class that introduces the student to the challenge and thrill of being close enough to wildlife to hunt, photograph or simply enjoy viewing. The student will examine animal behavior, habitat and sensory use of the animal and hunter alike. The student will become familiar with bowhunting equipment and accessories that enable a hunter or wildlife enthusiast to get close to wildlife. Alaska Game Laws will be discussed in detail as well as property laws to enable the student to conduct their activities safely and legally. Lastly, this class will give the student the opportunity to become proficient with a bow that is set up for bowhunting and prepare them to take the ADF&G Bowhunter Certification course.

This class is for students 12 and up that are serious about bowhunting or want to feel comfortable in the outdoors to interact with nature for any purpose.

German 1	Charlotte Rhine	1 - 5	S2	Fri 12:00 PM - 12:55 PM
-----------------	-----------------	-------	----	-------------------------

In this class, students will receive an introduction to the German language. Emphasis is on acquiring basic foreign language knowledge (such as greetings, numbers, colors, days of the week, etc.) within a cultural context. New concepts are introduced in fun ways, such as through songs and games. We will also be working on lapbook-style reference material, so that everyone will have a record of topics and vocabulary after the class ends.

This is a class for complete beginners, no prior knowledge of German required.

German 2	Charlotte Rhine	1 - 5	S2	Fri 1:00 PM - 1:55 PM
-----------------	-----------------	-------	----	-----------------------

In this class, students will continue to expand their German vocabulary and grammar and further develop their listening and speaking skills. As in all of my classes, new concepts are introduced in fun ways, such as through songs and games.

Basic knowledge of the German language is required (e.g. knowing numbers up to 100, colors, days of the week, months, animals, adjectives, pronouns, etc.), and students should be able to participate in short, simple conversations (Ich heie.../Wie geht es Dir/Wo wohnst Du/Wie alt bist Du, etc.), and use sentence structures such as "Ist das ein...? Nein, das ist kein..." or "Ich habe ein/kein.....").

Please contact me if you're unsure whether this class is the right level for your child. I am also offering a lower level class which only requires very basic knowledge of the German language (please see course

description for German for beginners part 2 , Tuesday) and a German class for beginners without any prior knowledge of German (German I, Friday)

World History & Geography Games	Amanda Barnette	6 - 12	S2	Thu 1:00 PM - 1:55 PM
--	-----------------	--------	----	-----------------------

This class is designed to complement and enhance the World History and Geography Curriculum students are already using. Each student will receive an online list of what to study (vocabulary, definitions, people, dates) on quizlet.com through a post in Google classroom, a list of books to read and cards for studying.

During each class we will be playing various game show games based on the reading books, and study list in order to reinforce the learning. Prizes will be awarded to the winning team each week. Students will need access to google and internet permission. We will have weekly posts to the google classroom for at home videos to watch, links to the online flash cards and challenge games from either quizizz.com or kahoot.com

STUDENTS MUST HAVE PERMISSION TO USE THE INTERNET AND TO USE GOOGLE SUITE TO PARTICIAPTE IN THIS CLASS. These permissions are found on the page 2 of the iParent registration form.
