

LINKS MAT-SU PARENT RESOURCE CENTER

*~Our Vision~
That every Mat-Su family and individual with a special
need and every senior receives information, education,
outreach and support to empower them to self-
advocate, linking them to services to provide a better
quality of life.*

LINKS Linking information and networking knowledge of systems

How?

By advocating with the student
and parent in IEP Meetings.

Supporting parent and student
rights.

Assisting parents navigate systems
to get benefits for their student.

Helping the team balance the
person and the academics.

Planning for the future.
