

Hello Twindly Families!

The revised Twindly Bridge Portal has been completed! For quite some time, we've been working diligently to make this process as streamlined and accessible as possible for our families, and now it's time to make the switch over to the new system.

The Twindly Bridge Portal will allow you to submit reimbursement requests and receipts, as well as grades and work samples, all online using either your smart phone or a computer.

Starting Monday, February 22nd, the Twindly Bridge Portal will be online and active.

From now on, please use the portal to submit reimbursement receipts, grades, and work samples. (Any reimbursement requests that have already been emailed or brought into the front office will be processed as usual.)

To access the Twindly Bridge Portal from your smartphone, you will need the ParentVUE app installed. This is the same app used by the Mat-Su School District for student registrations. To access on your computer, simply go to the Mat-Su School District parent page and navigate to ParentVUE-registration.

We, the Twindly team, are here to help you. We do expect a learning curve and want to provide you with any and all support and resources you might need to become proficient using the online system. You will find complete sets of directions on our Twindly Bridge webpage in two different formats: written directions or short videos guiding you through the processes.

We can also provide you with personal guided walkthroughs. Reach out to your teacher/advisor or call the school at 907-376-6680 if you have any questions or comments or want to set up a time for an individual tutorial. We look forward to helping you.

Sincerely,

The Twindly Bridge Staff
