

# TWINDLY BRIDGE CHARTER SCHOOL

## STUDENT EXPO

Thursday, April 26<sup>th</sup> 4:00 – 8:00

Mat-Su Career & Tech High School  
2472 N Seward Meridian Pkwy  
(Next to Teeland Middle School)

It's that time of year again! We are excited to see the projects that your student(s) have been working on.

This is the time for your student(s) to 'shine' as they present their year long based projects. In past years we have had a great turnout. We enjoy all the history, art, science and other educational projects.

We know many of you have worked hard all year to make this event a special one. We look forward to seeing you at the Student Expo.

Come and see what everyone has been working on. This is also a Potluck, so bring a food dish to share.
